This is an interactive event: Each participant may present 1 or 2 case reports for discussion. The aim is to have a nice conversation and learning:

- Content: interesting, maybe puzzling cases with a clear learning point, no need to prepare fancy slides.
- Structure of the presentation:
 - Slide 1: The Problem
 - Slide 2: History
 - Slide 3: Physical exam & Investigations
 - Slide 4: Synthesis of the Results
 - Slide 5: Interpretation
 - Slide 6 Conclusion/Take Home Message/Learning Point
- Duration: 7 minutes
- Language: Slides: English; presentation: English, French, German

Please send your presentation to christoph.saner@insel.ch (subject: fellow school).
